What is ACCA?

Definition: The ACCA is a global professional body for accountants.

Focus: Provides qualifications in accounting, finance, and management.

Global Recognition: ACCA is recognized in over 180 countries and has over 200,000 members and students worldwide.

What is ACCA Eligibility Criteria?

Students who have completed higher secondary, +2 and are looking to embrace global opportunities in Finance. Graduates and postgraduates aspiring for a career in Accounting and Finance are also eligible.

ACCA after 12th

Students who have completed higher secondary, +2, and are at least 18 years old. Apart from that, you must have obtained a minimum score of 65% in Math or Accounting as well as English, and a minimum overall score of 50% in your other disciplines. Various high school certificates, such as 10+2, ISC, Intermediate Certificate, etc., are considered valid.

ACCA after Graduation

Individuals who have obtained commerce degrees such as B.Com, BBA, or BMS are eligible to pursue the ACCA exams. Individuals who possess a Bachelor of Arts (BA) or Bachelor of Science (B.Sc.) degree from an accredited university are also eligible to pursue the Association of Chartered Certified Accountants (ACCA) qualification. However, they must first fulfil the requirement of obtaining the ACCA Foundation diploma.

ACCA after 10th

If you choose to pursue ACCA immediately after completing 10th grade, there is a designated program called the Foundation in Accountancy that is tailored for you. This course is designed for individuals who do not have a background in accounting and is primarily targeted towards those who have recently completed 10th grade. The three levels are Knowledge, Skill, and Professional. To obtain certification, it is necessary to complete a total of 13 examinations spanning several levels.

ACCA during and after CA

CA India and CMA India students who are midway through their journey, and Qualified professionals holding CA India, and CMA India certifications are also eligible to do ACCA with varied degrees of exemptions.
